Introducing UKVS LIVE!

We're delighted to invite all our students to the very first **UKVS Live! session**, taking place on **Monday, 22 September 2025 at 1:30pm**. This will be a wonderful opportunity for our whole school community to come together, connect, and enjoy some fun activities.

Students can look forward to a lively scavenger hunt, a global map activity to showcase where we're joining from, a school-wide trivia quiz, and the chance to add their personal goals to our Digital Time Capsule.

It promises to be an uplifting and inspiring session, and we very much look forward to seeing everyone there!

Coaching Tutorials

Our coaching tutorials are now available as on-demand resources, giving students the flexibility to engage with them at a time and pace that suits them best. For those who are new to UKVS, we recommend beginning with the introductory videos on our school values, as these offer a meaningful insight into our culture and expectations.

Big News!

We're pleased to share that UKVS is in the process of applying to become a **Virtual Edexcel Centre!**

Once approved, this will mean our students can sit their GCSE examinations directly through UKVS.

This marks an exciting step forward in broadening the opportunities available to our students and supporting them throughout their academic journey. We'll be sure to keep you updated as the application progresses.

Exams

On 16 September, we hosted a Year 10 & 11 Parent Meeting where we shared practical advice on how best to support students in the lead-up to their exams. These final months are a vital time, and consistent engagement in lessons, steady preparation, and growing confidence can make all the difference on exam day.

We understand that exams can sometimes feel overwhelming, but we are here to support both students and parents every step of the way! From guidance on exam centre planning to regular check-ins and revision support, our aim is to ensure that learners feel prepared, confident, and ready for success.

For any Year 10 and Year 11 parents who were unable to attend the meeting, we've made the recording available so you can catch up at a time that suits you.
