Mid-October Announcements

Welcome to the mid-October Announcements!

Time flies when you're having fun!
We can't believe we're already in October, and our first term is well underway. It's been such a joy to see our community come together, settle into routines, and start building momentum. With so much already achieved and even more ahead, we're excited to share some highlights and updates with you.

Staff updates

Ilt's with a heavy heart that we said farewell to Teacher Beth this term. She has made a tremendous impact here at UKVS, and she'll be greatly missed by both our students and staff. We wish her every success and happiness as she embarks on her next adventure.

At the same time, we're delighted to welcome Teacher Pauline to the UKVS community. Pauline will be taking over Secondary English and brings with her a wealth of experience from teaching both in the UK and overseas. With a background in English, History, and even Bushcraft, she's passionate about learning new skills, exploring the world, and - of course - losing herself in a good book!

November Invoices

November invoices were sent on Friday, 17th October, and are due by **Monday, 27 October.** A friendly reminder to pay the invoices on or before the due date. Please note that, as per our terms, a **£30 late fee** will apply to overdue payments.

If there are any changes needed, let us know **before** making payment. For any concerns regarding your invoice, please don't hesitate to email us at info@ukvirtualschool.com

Monday, 27 October - Community Day

The My Community page is where you can access all the Zoom Links, Meeting Summaries, and many others! Click on the image for more details!

Community Day Events

Turtle Dance Music Virtual Show for Primary

We're delighted to share that our next assembly will feature a special guest - Mr. Matt from **Turtle Dance Music**! Known for his high-energy, autism-friendly performances, Mr. Matt brings music, movement, and imagination together in a fun and engaging way. Students will have the chance to sing, dance, laugh, and learn through interactive songs, visuals, and activities designed to build creativity, confidence, and connection.

UKVS Live!

Our Secondary students will soon take the stage in this term's UKVS Live, showcasing their creativity and talent. From poetry and music to artwork and performance, this session - hosted by **Sara** - will be a wonderful opportunity to see the imagination and skills of our young people in action.

If your child would like to perform, please encourage them to message **Sara** in advance to reserve a spot. Otherwise, we warmly invite you to join us in celebrating their achievements and cheering on our students.

Upcoming Virtual Halloween Party! 👻

We're excited to invite all our students to a spook-tacular Virtual Halloween Party on **31st October**! Dress up in your favourite costume, bring along your festive spirit, and get ready for games, fun, and plenty of spooky surprises. More details will be sent soon so stay tuned!

Exams

As we move further into the term, we know many of our iGCSE families may have questions about exams and assessments.

To make sure you get the right support quickly, we've set up a dedicated contact point. From now on, please use **examofficer@ukvirtualschool.com** for any exam-based enquiries.

This will ensure your questions are directed to the right person and answered as efficiently as possible.

New in October: School Work Support Social Clubs

A quick reminder to all our UKVS families - we've now introduced **School Work Support** sessions to help students stay on top of their studies and get extra guidance where needed.

Our **October Social Clubs** are also up and running, offering fun opportunities for students to connect, create, and collaborate beyond the classroom!

📅 Dates and full details for both can be found on our website **here**
