Mid November Announcements

Welcome to the mid-November Announcements!

January Invoices

January invoices have been sent out and will be due on **Monday, 24 November.** This is a friendly reminder to please make payment on or before the due date. As per our terms, a **£30** late admin fee will be applied to any late payments.

We kindly encourage families to pay by the deadline, as January is one of our busiest months with a high number of new students joining. To ensure your child's place remains secured, payment must be received on time.

If there are any changes to your enrolment or class selections, please let us know before making payment, so we can update your invoice accordingly.

Please note that no invoices will be issued in December. The next set of invoices will be sent in January for February classes.

Important Information for Year 11 Families

Year 11 students remain enrolled with us for 10 months. Unlike other year groups who follow the September - November and January - July cycle, Year 11 follows a **September - June** schedule, which includes December mock exams.

Payments continue to be evenly distributed across the year, but as we approach the exam period, we will be adding extra revision sessions and support where needed.

Key dates for Yr 11 invoices

December invoice → Due on 24 November
January invoice → Sent in December, due on 17 December

December Holiday Break

Our Admin, Teaching, and Customer Service Teams will be on holiday throughout December and will return before lessons resume on **2 January 2026**. During this period, we will be operating with reduced staffing, with limited operations in place to ensure that Year 11 mocks and our Winter Camp run smoothly.

Please note that due to this reduced capacity, enquiries related to enrolment, short courses, or payments will not be answered during December. If you need any assistance before the break, please get in touch before the end of November as we are always happy to help.

Mid November Announcements

Year 11 Mock Exam Schedule

It's almost time for our Year 11 Mock Exams. Our schedule runs over two weeks with revision classes and mock invigilation.

Details have already been distributed to Year 11 students with instructions on Mock submissions. **The timetables are attached separately** along with this announcement for your reference and more details can be shared before the end of this month to ensure students are prepared for the mocks

If you have any questions or did not receive these updates, please email us on: **info@ukvirtualschool.com**

Community Day

This Community Day, we invite you to join our UKVS Live! sessions for meaningful conversations about **kindness** and the impact it has on our everyday lives.

We will watch a short video, share our thoughts and experiences, and work together to create inspiring **Kindness Campaign posters.**

It's a fun, thoughtful, and creative session where your voice truly matters. Come along and help us shape an even kinder and more connected school community.

Monday 24 November 2025

- Assembly: 11:00 am
- UKVS Live! 12: 00 pm
- Parents Meeting: 5 pm

NEW

Year 11 Mocks for ALL Home-Ed Students

We're excited to share that this year, we are offering Mock Exams to Home Educating students who are **not enrolled** with UK Virtual School. This offer enables students to sit the exam in their own time and have it marked by specialist teachers. Please note, these students will **not** be joining the two-week mock week for our Year 11's.

If you know families who are home educating and would benefit from high-quality exam preparation, please share this opportunity with them. They are welcome to contact us at **info@ukvirtualschool.com** for more information.

Please note that spaces are very limited, so early enquiries are encouraged.

What's Happening at the Hub This Month?

We've had so much interest for the Femtinos Learning Hub since we opened recently. Kids and parents from the local area have popped in over the past few weeks after recognising our signage outside - and it's been truly wonderful meeting some of our long-term UKVS followers and fans in person at last.

We're also excited to share that our next Community Day session will not only take place online, but will also be offered in a hybrid format with activities at our hub in Birmingham!

24 NOV MON

Christmas Special Offer: Hub activities FREE for November**
oin us from 10:00 am to 1:00 pm for our Community Day session

***Please note: Social Events and Dinner are not included*

25 NOV TUE

We have a full day of activities planned at the hub from 11 am to 4 pm with social activities in the evening!

There will be a session especially for parents from 1:00 pm to 3:30 pm open to all families who are curious about home education and would like to learn more.

In the evening, we will head out for a fun, relaxed dinner together - a chance to connect, chat, and simply enjoy being in community with one another.

We're also thrilled to invite all students to our upcoming Winter Camp at the hub during the first two weeks of December.

More details will be sent separately - the theme for the Winter Camp is Careers! There will be activities running for both primary and secondary students.

Not near Birmingham? No worries at all! The camp will be hybrid too, making it accessible to our online families around the world.

After months of planning and preparation, seeing the Femtinos Learning Hub become a real space for our community to come together has been incredibly special. And who knows - maybe there'll be a Femtinos Learning Hub franchise close to you one day!
