A School that thinks differently

Mid February Announcements

Welcome to the Mid-February announcements!

March Invoices

March invoices will be sent out soon. These will be due on **Monday, 23 February**. A friendly reminder to remember to pay the invoices on or before the due date. As per our terms, a **£30 late admin fee** will be added for late invoice payments. Please let us know of any changes prior to making payment before the deadline date of your invoice.

Everything Year 11

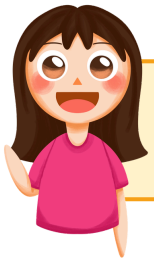
As Year 11 exams approach, we know this can be a stressful and emotional time for both students and families. To make sure your child feels supported, organised, and encouraged throughout the exam season, we are offering a few practical check-in options with Vicki.

Book a check-in call with Vicki (Year 10 and Year 11)

If no suitable slots are available, please contact uppersecondary@ukvirtualschool.com, and we will do our best to arrange an alternative.

Slots are now available for Year 10 and Year 11 students who would like a check-in call with Vicki. These sessions are designed to support students who may be experiencing challenges with lessons, revision, motivation, or planning for the next academic year.

The check-ins are 30-minute 1:1 sessions focused on general well-being, motivation, and overall exam preparation. Students may attend as a one-off or as a regular support session during the exam period.



Year 11 Peer Support Sessions (Weekly)

Revision can sometimes feel isolating, even for students who are working diligently. For those who would benefit from a supportive space to connect with peers, Vicki runs a weekly Year 11 Peer Support Session every Wednesday at 3:30 pm.

These sessions offer a friendly check-in, shared encouragement, and constructive discussion with other Year 11 students, helping them feel supported and motivated throughout the revision period.

What's Next for Our Year 11s?

We are excited to celebrate our Year 11 students and the many exciting pathways opening up for them. A number of students have already begun sharing the schools they have received offers from, as well as their plans for the next stage of their journey, and we would love to hear more about your child's next steps too.

We are currently putting together a **Year 11 celebration series** for our social media channels and would be delighted for as many students as possible to be involved. If you are happy for us to share your child's news as part of this celebration, please email a short update to info@ukvirtualschool.com **A photo would be wonderful if your child is comfortable sharing one, but this is entirely optional.**

Mid February Announcements

Will you be our Valentine?

We know so many of you love UKVS and are supportive in its growth and evolution over the years. We would really appreciate it if you could show us your love this Valentine's by gifting us one of the following:

Leave a Trustpilot Review

Show us your love by leaving us a review on Trustpilot and sharing your journey with UKVS so far. Trustpilot reviews are an awesome way for new families to find out a little bit more about our school and your experience.

Take part in a podcast interview

Podcast interviews are a great way for Syd to find out a little bit more about you and your experience. We are currently preparing for Season 6 and would love to have more students and parents participate in interviews.

Refer a friend

If you love UKVS and all that we do, please share and recommend your friends to join us and spread the love! In order to sustain our growth and all the things we wish to offer, we need our student numbers to steadily increase. As a thank you, we offer a £50 referral discount and they will also receive £50 off their first invoice

Share a post on our Facebook group

Post something on your socials to share your UKVS experience and what you've been working on. By doing so, you'll help us reach new families who may be looking for this exact solution. Remember to tag us in your post so we can see and celebrate it with you.

Join our Spotlight Gallery

We launched this initiative last year to capture some of our students in a beautiful flipbook for our gallery page, and we're excited to continue it this year. We'd love to celebrate your story and create a meaningful keepsake — if you'd like to be featured, you're warmly invited to take part in our Student Spotlight.

Next Community Day

Monday 23 February 2026

- Primary Assembly 10 AM
- Secondary Assembly 11 AM
- UKVS Live 12 PM
- Parents Meeting 5 PM
