Mid May Announcements

June Invoices

June invoices have been sent out today. These will be due on **Monday, 25 May**.

A friendly reminder to please ensure invoices are paid on or before the due date to avoid late payment fees. If there are any subject changes or adjustments needed, kindly let us know before payment is made.

Everything you need to know about the Exams

Exam season is now well underway for students in Yr 11 and mocks are coming soon for Yr 9 & 10 students. We would like to wish all of our students every success in their upcoming examinations.

Revision and support sessions will continue throughout the exam period for Yr 11 to help students feel confident and well supported. **The June timetable for Year 11 students will be shared before the end of this month.**

Important Reminder for Students Sitting Maths Exam

Students sitting GCSE or iGCSE Mathematics examinations will require a scientific calculator for their exams.

We recommend the calculator available through our website here

We also encourage students to ensure they are confident and familiar with using their calculator ahead of the examination period.

Year 9 & 10 Mock Exams: Access Arrangements

If your child requires access arrangements for the mock examinations and you have not yet informed us, please reach out as soon as possible.

This may include arrangements such as extra time, rest breaks, a reader, a scribe, or other examination accommodations that may help support your child during assessments.

Early communication allows us to explore and put appropriate arrangements in place wherever possible.

A separate document covering more details about the mock exams will be shared next week

UKVS ACTIVITIES CALENDAR

SCAN ME!

We are excited to announce the launch of our new UKVS Activities Calendar!

Families can now find the following in one convenient place:

- Social Clubs
- Community Events
- Assemblies
- Special Activities
- UKVS Live! Sessions
- Parent Meetings

We strongly encourage families to connect the calendar directly to their Google Calendar so that events and reminders automatically appear on your devices.

This will make it much easier to stay updated with everything happening across the school community.

Open Day at the Hub

Join us for a special Open Day at the Hub where families can visit the space, explore what we do, and get a feel for the Hub environment and learning opportunities available throughout the year.

This Open Day is especially aimed at families interested in the possibility of a hybrid option next year, where some lessons take place at the Hub and the rest are completed online.

SATURDAY, MAY 23
2:00 - 3:00 PM

Femtinos Learning Hub
53 Church Road, Northfield, Birmingham B31 2LB

END-OF-YEAR PARTY & EVENT ARRANGEMENTS

We are excited to confirm that the End-of-Year Event planning is now well underway! Syd has found a venue, and the itinerary has been planned for the week.

27 JULY TO 01 AUGUST 2026

Families can look forward to:

- Hub activities and social events
- Day trips and excursions
- The Graduation Ceremony and End-of-Year Celebration
- Dinners together in the evenings to get to know eveyone
- Opportunities for students, parents, and staff to connect in person

More detailed information regarding schedules, accommodation arrangements, travel support, and booking procedures will be shared soon.

We are really looking forward to celebrating another incredible year together as a community.

Trustpilot Reviews

We are incredibly grateful for the support from our families this year.

If you have enjoyed your experience with UK Virtual School, we would really appreciate a Trustpilot review. Reviews make a huge difference for families considering joining our school community and help us continue to grow.

Interested in doing a Podcast Interview?

Ready for an interview? Click here!

Parents and students are warmly invited to take part in a future episode of the UK Virtual School Podcast with Syd.

This is an opportunity to share your experiences as part of the UKVS community, discuss topics related to online learning and education, or simply explore a subject you are passionate about!
