UKVS Morocco Trip 2026

North Morocco

Super excited to share with you the initial draft plans for our Morocco Trip 2026! As most of you already know, Morocco is my second home. I absolutely love the country and all it's colourful culture and I am super excited to have you experience a very different part of Morocco from our last trip!

I have lost count of how many times I have been to Marrakesh (probably just under 20 times in 6 years!) but I know exactly how many times I have been to Tangier and Chefchaouen because of how magical the place is. The first time I went solo and the next two times I have taken others with me - there is something magical about this place and you'll know what I mean when you see it for yourself. It's like smurfland!

As it's a country I am fairly familiar with (and accustomed to booking things last minute), I am confident I can get this sorted in such short notice. All I need to know is numbers. If you missed out on the last morocco trip (see photos here), you won't want to miss this one. And if you came to the last one, you'll find this to be far more magical!

North Morocco Discovery Tour

- If paying in full, full fee due: 15th Sept 2026
- If paying in instalments, please get in touch to arrangement a payment plan. We may be able to extend payments beyond the trip dates

FAQs

What's different about this trip compared to the last Morocco trip in 2023?

Morocco is such a vast country with different climates across the different cities. The last trip focused on the South of Morocco where we spent time in Marrakesh and the Sahara Desert. The North Morocco is completely different - Tangier is a coastal town with beautiful golden beaches and a Spanish feel. You can even see spain if you look across the ocean! Chefchaouen on the other hand is such a magical smurfland! You just have to visit it once in your lifetime (or in my case, whenever I can make an excuse!)

Who can join?

This trip is open to all UKVS students, past and present, including their families, siblings and relatives. Students must have a guardian above the age of 18 accompanying them who will take full responsibility of them.

Do I have to do the full 7 nights?

Where possible, we try and break the trips down into two parts so those students who find it too overwhelming but still want to dip their toes in and have a go on a trip can come along. This trip is generally short (7 days, 6 nights). However, you can choose to just come for 2 nights in Tangier and join us for the initial part of the trip!

Who has responsibilities?

The ultimate responsibility for the students lies with their parents. UKVS is organising the activities only. Children must be accompanied by a parent or guardian at all times during this trip. You may pass the responsibility to another parent for short periods of time during the trip at your own risk, however UKVS staff will not take on responsibility of any students.

Can I stay longer?

Absolutely yes! If you want to stay longer or arrive earlier, let us know and we may be able to sort out accommodation in the same place we are staying.

What if I change my mind?

Please note the deposit is non-refundable (unless for whatever reason, the trip doesn't go ahead). Because there is not much time to the trip, the rest of the fee may also become non-refundable once paid. Please refer to the terms and conditions.
